

ST. LEO

FOOD CONNECTION

COLLECTING ITEMS FOR THE FOOD CONNECTION

Thank you for feeding hungry families in Pierce County by donating food to the St. Leo Food Connection! By giving, you are joining your friends, neighbors, and family who want everyone in our community to have nutritious food. Things our families especially need right now are:

 baby food
 infant formula
 peanut butter
canned proteins (chicken, tuna, etc.)
 canned dinners and soups
 canned fruits and vegetables

Your work makes everything that happens at the Food Connection possible, so thank you in advance for your wonderful gifts!
